We encourage Pre-Registration to help the Committee in conference planning, and to minimize congestion at the conference registration desk.

Conference registration is \$575 for AAS members, \$625 for nonmembers and foreign registrants, and \$225 for full-time students. A special offer of \$50 added to the nonmember registration (\$675 total) will include a one-year American Astronautical Society membership (regularly \$100 for a one-year membership). All registration fees include continental breakfast and afternoon refreshments each day, Technical Exhibit buffet, and Conference Proceedings on CD-ROM or via electronic download. Bound paper copies of the 2018 Conference Proceedings are also available for purchase. Proceedings will be published in mid-2018.
